

Barracudas Summer Swim Team

The Barracuda summer program is designed to provide swimmers with the opportunity to continue training in a focused environment year round. Members of our summer team may not have necessarily swum on our winter team, but must have some competitive swimming experience. Our practices are held indoors at BRY until the kids get out of school. Once school is out, we move our practices to the Hanby Outdoor Center pool, and the Canby Park 50 meter pool in town. Members of the summer team will participate in several long course meets over the course of the season.

Silver Group (Ages 9-14)

Swimmers in this group must have some competitive swimming experience. Practices will range between 2,000 and 4,500 yards in length. Swimmers will refine their current skills and participate in Long Course meets.
